# THE NORVIL® TRADEMARK

On **NOVEMBER 4TH, 1994** at the Patent Office, London, the Comptroller General for the Trade Marks Registry gave judgement that MR. LES EMERY, trading as FAIR SPARES (Now trading as The Norvil M/C Company) has no exclusive Rights whatsoever, to the Trade Mark “NORVIL”.

- 1. It was also his judgement that Andover Norton had not inherited from Norton Villiers Performance Shop Ltd., any Rights to the NORVIL Trade Mark and thus, in effect, had no Rights to assign to Mr. L. Emery. (Now trading as The Norvil M/C Company).
- 2. It was also clear that Andover Norton had never used the name NORVIL as a Trade Mark.
- 3. No proof was given in evidence by “FAIR SPARES” that they had ever purchased from Andover Norton, any so-called “Genuine” Jigs, Fixtures, Tools or drawings for NORVIL parts.
- 4. MICK HEMMINGS MOTORCYCLES have been continuously manufacturing NORVIL parts in the period 1974 to present, with the knowledge and assistance of both ANDOVER NORTON and NORTON MOTORS LTD.

A FULL COPY OF THE COURT TRANSCRIPT WITH SUPPORTING EVIDENCE IS AVAILABLE AT MICK HEMMINGS MOTORCYCLES FOR INSPECTION BY ANYONE WHO WISHES.

**®THE NORVIL TRADEMARK IS NOW OWNED BY BOTH COMPANIES.**
