To order electronically: click on the **Order** button for the part you want to place in your shopping cart. In order for this to work your browser must use frames and you must start at the [Old Britts Home Page](#).

We try to keep all information current, but regret that prices and availability are subject to change. **Special Order Items (SO)** are priced as of the last time we sold one.

Please Note: the "19-" preceding all order numbers is an Old Britts grouping code. The second portion of the order number is normally the factory part number (e.g., 19-060627 is the Norton part 06-0627). When ordering, you can use our order number or the factory part number.
